ERRATUM

Erratum to "Thixotropically Based Biodegradable Intradermal Liquid Depot System Bearing Diltiazem Hydrochloride" (Indian J. Pharm. Sci., 2003, 66, 322-328.)

Pharmaceutics Research Projects Laboratory, Department of Pharmaceutical Science,
Dr. Hari Singh Gour Vishwavidyalaya, Sagar-470003,
'N. D. M. V. P. Samaj's College of Pharmacy, Nashik-422004

In the above-mentioned article fig. 2 is not properly published and the name of a coauthor has been dropped inadvertently. The publisher regrets these mistakes and the corrected fig. 2 and complete authors names have been reprinted here.

Fig. 2: In vitro drug release profile of DILPLGA 4, 5 and 6.

In vitro drug release from DILPLGA-4 (-○-), DILPLGA-5 (-□-) and DILPLGA-6 (-▲-) was performed using the dialysis tube diffusion technique employing cellophane membrane. Inset figure shows the log of cumulative drug release Vs log time plot for DILPLGA 4, 5 and 6.
